Registration Calendar

Summer, 1970

Monday, April 20–Thursday, July 2.

Registration period for graduate students. No graduate student will be admitted or readmitted on June 22, 23, or 24.

Wednesday, April 15–Friday, June 5.

Advanced registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on Page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by June 5.*

Wednesday, June 10.

Undergraduate students will have their advanced registration cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date, unless they have had approval for deferment of fees and presented the deferral fee cards to the Bursar.

Beginning-of-the-Quarter Activities for Undergraduates

The dates listed below from Saturday, June 20 through Wednesday, June 24 are for undergraduates. Graduate students may register through the Graduate School during the dates given above.

Saturday, June 20.

Residence Halls open.

Advisement and registration for all non-registered new and re-entry students. All new students are expected to be advised and registered by this date.

Sunday, June 21.

New student orientation starts.

Monday, June 22.

New student orientation continues.

Advisement and registration for any non-registered continuing or re-entry student at the Arena. New students (both freshmen and transfer) will not be processed on this date.

This is the last date for regular registration. Late fee will be assessed on fees paid by undergraduate after this date.

Night classes (5:45 P.M. or later) start.

Tuesday, June 23.

Day classes start.

Advisement and registration open for program changes only.

Wednesday, June 24.

Last day for advisement and registration for the summer quarter, except for those students registering only for courses whose starting date is after this date. Registration in such cases may take place on the first day of class without the late registration fee being charged.

Last day to add a class.

Both registrations and program changes will be processed.

Late registration fee will be charged on fees paid by undergraduate.

Registration ends at 4 P.M.

Thursday, July 2.

Deadline for payment of fees by students whose fees were deferred. Graduate student registration will be cancelled if fees are not paid at the Bursar by 4:00 P.M.

Last day to withdraw from school to be eligible for a refund of fees.

Last day to drop a course to be eligible for a refund if that drop changes fee categories.

Friday, July 17.

Last day for undergraduates to withdraw from a course without receiving a letter grade.

Graduate students officially dropping a course after this date need not be given an evaluative letter grade.

Last day to change from credit to audit or vice versa for all students.

Wednesday, August 19.

Last day for making a program change or withdrawing from school.

Calendar of Events

June

- | | |
|--------------|--|
| 1, Saturday | Deadline to file application at Registrar's Office for graduation at September 5, 1970 Commencement (graduate and undergraduate) |
| 15, Saturday | Last day graduate students may submit their thesis, dissertation, or research report to the Graduate School to be eligible for September graduation. |

* Pre-registration is required. Applicants should contact the Counseling and Testing Center for details at least four weeks before the tests.

† Pre-registration is required. Applicants should contact the Graduate School at least four weeks before the test.

University Calendar

<i>SUMMER, 1970</i>	Quarter Begins	Monday, June 22 *
	Independence Day Holiday	Friday, July 3
	Final Examinations	Monday-Friday, August 31-September 4
	Commencement (Edwardsville)	Friday, September 4
	Commencement (Carbondale)	Saturday, September 5
<i>FALL, 1970</i>	New Students	Sunday-Tuesday, September 20-22
	Quarter Begins	Tuesday, September 22 *
	Thanksgiving Vacation	Tuesday, 10 P.M.- Monday, 8 A.M., November 24-30
	Final Examinations	Saturday-Friday, December 12-18
<i>WINTER, 1971</i>	Quarter Begins	Monday, January 4 *
	Final Examinations	Saturday-Friday, March 13-19
<i>SPRING, 1971</i>	Quarter Begins	Monday, March 29 *
	Memorial Day Holiday	Monday, May 31
	Final Examinations	Saturday-Friday, June 5-11
	Commencement (Edwardsville)	Friday, June 11
	Commencement (Carbondale)	Saturday, June 12

* Classes begin with the evening classes after 5:30 P.M. on the Carbondale Campus and with the evening classes after 4:30 P.M. on the Edwardsville Campus.

1 / General Information

This bulletin contains the schedule of classes for the summer quarter, 1970, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

Admission

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The registration process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar. Graduate students may register during the period indicated in the Registration Calendar. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the Registration Calendar in this bulletin. Ordinarily, registration offices are open from 8:15 to 11:30 A.M. and 1:00 to 4:30 P.M., Monday through Friday, and from 8:30 to 11:30 A.M. on Saturday.

During the registration process the student goes through the Registration Center where the student assigns himself to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale Campus

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

Current Students, Edwardsville Campus

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent information about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's Office by 4:00 P.M. on July 2.

Fees for A Regular Quarter

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois Resident	\$22.00	\$45.00	\$67.00
Tuition Fee—Out of State Resident	(69.00)	(137.00)	(206.00)
Student Welfare and Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fund Fee	3.00	6.50	10.00
<i>Total</i> —Illinois Resident	\$41.50	\$79.50	\$115.50
<i>Total</i> —Out of State Resident	(88.50)	(171.50)	(254.50)

Students who register for a course for "Audit" or for a non-

credit course will be assessed fees according to the imputed hours of that course. "Imputed hours" is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status.

The activity fee is prorated according to the number of hours carried. Health Service benefits vary according to the amount paid. In certain instances graduate assistants, research assistants, graduate fellows, or students on fee code 27 may seek permission from the health service to pay the full activity fee even though they are only part time students. Written consent from the Health Service must be presented at the time of registration so that the student may be properly assessed.

Late Registration

A late registration fee will be charged any undergraduate student registering after the first day of the quarter. Graduate students will not be charged a late fee if they register within the period indicated in the Registration Calendar.

Auditing of Courses

Students may register for courses in an "audit" status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar's Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. Initiating the change.

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of securing adviser approval.

2. Registration.

Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the "last day to add a class" as indicated in the Registration Calendar.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Registrar's Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter, except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed by Thursday, July 2.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this either by reporting to the Registrar's Office in person or by writing to the Dean of Students Office. This must be done by the end of the first two weeks, if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Dean of Students.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office, Graduate School, Registrar's Office, Registration Center, or VTI Office.
2. Names Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment, Fiscal Reports, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

2 / Summer Workshops and Institutes

Child and Family

Family Guidance through Community Services (Child and Family 408-2) July 6-17, Monday through Friday, 11:30-1:20. An orientation to various state and private agencies, religious and service organizations, and the services they offer to aid families who need help in the areas of physical and mental health, finances, crises (unwed mothers, child abuse, marital counseling, and foster placement). Students will also examine legislation as developed to support these programs. Techniques on how to refer families needing help will be developed. A field trip to children's day care residential facilities for the mentally ill and the retarded is planned. Instructor: Mrs. Melva Ponton.

Black American Child (Child and Family 408-2) June 22-July 3, Monday through Friday, 11:30-1:20. The major objective of this workshop is embodied in its title, with emphasis in understanding the influences of the black child's social and cultural environment. The workshop seeks to develop insight into the black child as a person, as a member of the family, school, and community. Other specific topics dealing with the black child will include the following: characteristics of the disadvantaged child, special problems and needs, influences of poverty on child relationships, economic influences upon children's learning and motivation, and other areas of group interest. Lectures, films, guest speakers, and readings will constitute the major segments of the program. Instructor: Mr. Michael Zunich.

Economics

Workshop in Economic Education. (Economics 490-4 or Elementary or Secondary Education 490). Designed to assist elementary and secondary school teachers in promoting economic understanding in the minds of their students through the translation of economic principles and problems into classroom teaching materials.

Educational Administration and Foundations

Aerospace Education Workshop (See Secondary Education) June 22-July 10.

Curriculum (Educational Administration and Foundations 560-4) July 13-31, Monday through Friday, 1:30-4:20. Special

consideration will be given to the major factors which affect the scope, content, and quality of curricula in our schools. Curriculum improvement as a process will be studied in the context of the impact of federal funding, and the influence of research and selected innovations on school organization and instructional procedures. Several curriculum specialists will be available as resource personnel during the workshop.

Family Economics and Management

Consumer Education Workshop: Economic Concepts. (Family Economics and Management 407-2, section 1) July 6-17, Monday through Friday, 9:30-11:20. Economic concepts which influence the use of family resources to obtain the desired level of living will be explored as will types of income which families desire to receive. Special emphasis will be given to those economic concepts which affect consumer choices in the marketplace. Concepts to be included are satisfaction, utility, wealth, resources, family capital, saving, scarcity, and waste. This workshop should help develop further insight into maximum satisfaction from use of resources for those working in consumer education programs, particularly those using a team approach to consumer education. Instructor: Mrs. Karen Craig.

Consumer Education Workshop: The Low Income Consumer (Family Economics and Management 407-2, section 2) July 6-17, Monday through Friday, 1:30-3:20. Application of economic and educational concepts to problems of consumers with limited resources. The workshop seeks to develop insight into the choices consumers with limited incomes must make and to suggest ways of increasing competency in choice making. Instructor: Miss Betty Jane Johnston.

Food and Nutrition

School Lunch Program (Food and Nutrition 247-2) June 15-19, Monday through Friday, 9:00-4:00. Lecture, discussion, and demonstration of quantity food production, menu planning, principles of nutrition, institutional equipment, record keeping, sanitation, principles of merchandising, and principles of administration as they apply to the school lunch personnel. Instructor: Miss Henrietta Becker.

Health Education

Workshop in Driver Education and Traffic Safety (Health Education 415s-4) July 13-August 7. For pre-service and in-service teachers of driver and traffic safety education. Individual and group problems will be treated. Lectures on selected subjects and individually supervised research in special problem areas. Emphasis to be placed upon new curriculum materials.

Workshop in Health Education (Health Education 461-4 462-4, 463-4) June 22-July 17, Monday through Friday, 1:20-4:40

Directed toward translation of health concepts into teaching materials and approaches. Focal concept: "There are Reciprocal Relationships Involving Man, Disease, and Environment." This to be developed through specific consideration of ecology, various forms of present pollution, respiratory disease, alcoholism, mental illness, and overpopulation as a disease concept.

Home Economics Education

Wage Earning Programs (Home Economics Education 507-4, section 1) June 22-July 17, Monday through Friday, 7:30-9:20. Teacher preparation for planning, offering, and evaluating marketable skills for secondary school and adult levels in home economics related jobs. Instructor: Miss Anna Carol Fults.

Home Economics Related Occupations (Home Economics Education 507-4, section 2) June 22-July 3 or July 6-17, Monday through Friday, 9:30-11:20. Occupational programs in operation as preparation for wage earning at the secondary and adult levels with emphasis on low-income disadvantaged in rural areas and inner cities.

Concepts and Generalizations (Home Economics Education 507-4, section 3) July 20-August 14, Monday through Friday, 7:30-9:20. Development of a better understanding of the concept-generalization approach in home economics teaching. Practice of techniques and preparation of curriculum materials for use in varied situations. Instructor: Miss Dorothy Keenan.

Program Planning for Vocational Home Economics. (Home Economics Education 507-4, section 4) July 20-31, Monday through Friday, 9:30-11:20. Projecting program plans and developing curriculum materials to meet the requirements of Home Economics programs according to the 1969 state plan for the administration of vocational and technical education in Illinois. Attention will be given to the evaluation of consumer and homemaking programs. Instructor: Miss Anna Carol Fults.

Music

Opera Workshop (Music 346-12 or 568-12) June 22-July 31 at Harmony Hills Ranch, Hot Springs, Arkansas. Marjorie Lawrence, Director.

Summer Music Theater (Music 347-12 or 568-12) June 15-August 31. William Taylor, Director.

Electronic Music in Secondary Schools (Music 499-3 Independent Study) June 22-July 3 or July 20-August 1. Will Gay Bottje, Director.

Choral Clinic (Music 453-3 Choral Materials and Techniques) June 28-July 2, Donald Craig, Clinician.

Band Instrument Repair (Music 420-3 Music Education Practicum) July 6-17, Woodrow Maloney, Clinician.

Contemporary Music in the School (Music 483-2 Readings in Music Education) July 6-17, Will Gay Bottje, Director.

Music and Youth at Southern (High School Music Camp) July 5-18, Mel Siener, Director.

Physical Education

Workshop in Gymnastics for Women (Physical Education 415-4). An intensive course for undergraduates and graduates in techniques and theory of teaching, coaching, judging official performances, conducting gymnastic meets, clinics and demonstrations. Attention is given to advanced study of teaching and spotting and the analysis of performance. Teacher: Mr. Herb Vogel.

Psychology

Theory and Practice in the Preschool (Psychology 459-4). For those who are preparing for or who are engaged in preschool education. Examines a variety of topics and provides lectures, demonstrations, and practicum experience in the Child Study Cooperative Nursery. It will be offered on an eight-week basis. Prerequisite: consent of instructor.

Advanced Psychopathology (Psychology 531-4). Eight weeks. This is the Anna Summer Program course for clinical graduate students.

Advanced Seminar (Psychology 595-4). Eight weeks.

Secondary Education

Aerospace Education Workshop (Secondary Education 402-4) June 22-July 10, Monday through Friday, 1:30-4:20. Besides a consideration of the technological impact the aerospace age has made upon our social order, special emphasis will be placed on how to incorporate aerospace knowledge and resources into existing curricula at the elementary, secondary, and junior-college levels. In-service education techniques will include analytical study of resources, one educational field trip via airlift, the critique of selected lectures, and participation in curriculum development projects.

Special Education

Learning Disorders (Special Education 518A-4, section 1) June 22-August 8. Presents a review of the works of Myklebust and Johnson, Kirk, Strauss and Lehtinen, Kephart, Cruickshank, and Frostig. Opportunities for the directed practice of administration of standard tests of learning disabilities in local, school programs provided. Prerequisite: 411 or concurrent and consent of instructor. Instructor: Dr. Lee Joiner.

Note: A limited number of fellowships are provided to Illinois teachers who will be working with learning disabled children in the fall of 1970 and who are enrolled full time in summer courses leading to approval to teach these children.

Psycho-Cultural Problems in the Education of Mexican-American, Behavioral Disordered Children (Special Education 518A-4, section 2) June 22-August 9. The workshop is an integral part of a summer institute which includes Sp.E. 580A, Seminar in Education of Maladjusted Children and F.L. 140, Conversational Spanish. Spanish speaking students will enroll in Sp.E. 496, Readings and Independent Study in Special Education in lieu of the language course.

The institute is co-sponsored by the Bureau of Education for the Handicapped of the U.S. Office of Education and is designed specifically for teachers who work with a high percentage of Mexican-American, maladjusted children. The workshop will feature a number of consultants whose expertise is in this area. Both the Mexican-American and the Mexican cultural systems will be studied. Therefore, a large part of the institute period will be spent in Jalapa, Mexico, where classes will be held at the University of Veracruz in cooperation with Mexican faculty. Prerequisite: consent of instructor. Instructor: Dr. James Crowner.

Note: A limited number of fellowships will be provided to qualified teachers from throughout the United States.

Arithmetic for the Mentally Retarded (Special Education 518B-4, section 1) June 22-August 8, Monday and Wednesday, 2:00-4:30. Single concept lessons in the area of clock time will be discussed. These materials have been developed for mentally retarded classes. Participants will evaluate these lessons and revise them. Particular emphasis will be placed on the learning characteristics of the mentally retarded: short term retention, transfer, and attention. An evaluation procedure will be developed to assist teachers in determining the level of understanding these children are at in this area. Prerequisite: At least one year of actual teaching with retarded and consent of instructor. (limited to twenty students) Instructors: Mr. Dan Rainey and Dr. Wyatt Stephens.

Educational Rhythmics for Mentally Retarded Children (section 2) August 10-22. An intensive examination of the use of rhythmics to improve the physical and mental performance of retarded children, particularly those classified as "trainable." Ferris and Jannet Robins, of Zurich, Switzerland, creators of "Educational Rhythmics," will demonstrate their techniques and special consultants will be asked to react—from their own frame of reference (e.g.-testing, classroom methods, physical education, etc.). The workshop will be held at the Warren G. Murray Center in Centralia, Illinois whose population of trainable retarded children will serve as a study group for demonstration. The Instructional Materials Center for Handicapped Children and Youth of the Illinois Office of the Superintendent of Public Instruction and the Illinois Department of Mental Health are working with the University in

co-sponsoring the workshop. Prerequisite: Consent of instructor.
Instructor: Dr. Wyatt Stephens.

Vocational Business Education Workshop

August 20 and 21. Presented for in-service and pre-service teachers of Office Occupations and Distributive Education. Demonstrations and presentations by specialists in Vocational Education, Vocational Guidance, and Business. Meeting instructional needs of academically deprived, block-time teaching, and simulation will be emphasized.

3 / Schedule of Classes

Listing of Courses

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours

The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

000-099	Course not properly in the following categories
100-199	For freshmen
200-299	For sophomores
300-399	For juniors and seniors
400-499	For seniors and graduate students
500-600	For graduate students only

Prerequisite

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

Section Number, Time, and Days

The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by a four digit number.

If a building contains more than one classroom, then the number of the room follows the building's code name.

CODE:	BUILDING NAME	CODE:	BUILDING NAME
ABBOTT:	Abbott Hall (T.P.)	PHY SA:	Physical Science Building A
AG:	Agriculture Building	PHY SC:	Physical Science Building C

- 0889 901 West Chautauqua.

Explanation of Entries

The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the short title and the number of quarter hours of credit.

Second Line: The prerequisite (if applicable).

Section-Number Lines: The first column lists section numbers for courses offered. Following each section number are the time the class begins and the time it ends. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.
